Scouts to See Picture.

The coming of the picture, American Game Trails, which is to be shown at the Davis theatre on Wednesday evening, has aroused the special interest of the Boy Scouts so that the scout masters voted on Monday evening to have the Scouts see the picture in a body at the theatre. They will attend in uniform, meeting at Union square at 7.15 and parading to the theatre, where a special section of seats is to be reserved for them.

Birthday Party.

A birthday party was held at the home of Mr. and Mrs. Frank Hertz on Sunday evening in honor of their youngest daughter, Lillian. About 25 couples were present. Out of town guests were Miss E. Miller and Orrin Hertz, both of New York city, and Miss E. Forman of Baltimore. Many presents were received. During the evening refreshments were served and there were piano selections by Miss Mary Stamm.

Sodalities Discussed Supper Plans.
The Monday evening meeting of the Sodalities at Broadway Congregational church had 21 present. The members discussed some of the plans for the supper which they are to give in February.

Clear, Peachy Skin Awaits Anyone Who Drinks Hot Water

Says an inside bath, before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious—merry, bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitude of "nerve wrecks," "rundowns," "brain fags" and pessimists, we should see a virile, optimistic throng of rosy-cheeked people everywhere. An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach. Those subject to sick headache, biliousness, nervousness, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.

THE LARGEST YEAR LEGACIES

Total of \$160,795.12 Received in Past Twelve Months by United Workers—\$17,216.06 Spent in Charity Work—Mrs. George D. Coit Elected President—Secretary's Report Reviewed the Year.

Mrs. George D. Coit was re-elected president of the United Workers at the annual meeting which was held at the Central Baptist church on Monday evening. The meeting was called to order at 7.30 o'clock with Mrs. Coit presiding. The opening prayer was offered by Rev. Joel B. Stocum, D. D., pastor of the church, and Rev. Dr. Stocum also read the scripture selections. A vocal selection, "I'm Nearest My Home," was excellently rendered by Mrs. Nelson T. Crowell.

Treasurer's Report.
Mrs. Elizabeth Davis, the secretary, read her report of the last meeting and this was followed by the report of the treasurer, Miss Adelaide L. Butts.

Legacies Received.
The treasurer's report showed that the past year had been notable in one respect through the receipt of \$160,795.12 in legacies, a sum beyond all comparison with the legacies received in any previous year.

They were from the estates of the following:
Mrs. Sarah Maria Pitcher, for the Sheltering Arms \$2,000; for general fund \$534.23; total \$2,534.23.
Mrs. Amanda M. Spaulding, for general fund \$5,000.
John Eccles, for general fund \$25,000.
Moses Pierce, for general fund \$64,100.41; for Rock Nook Children's home \$64,100.42; total \$128,200.83.

Receipts.
The receipts for the year for current expenses were \$17,784.07 as follows:
Balance January 1, 1915, \$586.70; fund for expenses 1915, \$2,800; received from interest and dividends \$3,046.55; from donations for all departments \$2,724.13; for board at Sheltering Arms \$4,305.62; Rock Nook home \$4,235.86; for mission \$4,956.67; fresh air fund \$65.
The balance remaining on hand in the current account is \$332.61.

Invested Funds.
The invested funds are general fund \$147,197.74; for Sheltering Arms, \$90,662; for Rock Nook Children's home, \$100,682.86; City Mission, \$8,375.13; total, \$286,218.53 at par value. In connection with the receipt of Miss Butts referred to the increased income which the legacies meant, but said that the United Workers would not depart from their long habit of economy into extravagance, but they felt justified in enlarging the work of the public health nurse department in two years ago the need of a new building for the Sheltering Arms had been felt and one step towards this had been taken by securing at a cost of \$8,000, the lot recently purchased at the head of McKinley avenue from the Rockwell estate.

Department Reports.
The reports of the various departments were then read by the secretary, Mrs. Davis. In her report Mrs. Davis said: "We are sincerely grateful to all who by their contributions of encouragement and cooperation have assisted the United Workers in the various departments of the year. The report made mention of the loss through the death of Mrs. Thomas J. Watters, one of the vice presidents and of Waterman R. Burnham, one of the associate committee of the city mission."

The next report read by the secretary was that of Mrs. B. P. Bishop, chairman of the house committee of the United Workers house. Mrs. D. S. Haviland, secretary of the City Mission committee embodied in her report references to the faithful service of Mrs. James Johnson.

City Missionary.
The activities of the City Mission were reported by Rev. C. H. Northrup. The reports are generally quite different from those made by the town, in its outdoor relief department, said the report. The town gave them \$1,700. The City Mission gave them \$1,000, our own aid, in all these cases supplementing that of the town, because of greater special needs.

We spent during the year 1915 about \$2,500 on our 73 families. An analysis shows that in the case of 34 families the actual or approximate cause of aid was infirmities of age or sickness. On these we spent about \$1,000. Nine families were those of widows of dead, deserting or imprisoned husbands upon which were spent \$400. Six of the families contained children. Temporary aid was given to 19 other families, out of work or hard pressed on account of seasonal needs, to the extent of \$300, while aid amounting to nearly \$100 was given to 11 families in which one or both of the parents are given to drink.

A larger number of families were aided than in the preceding year, and

at a greater expense. Sickness and desertion brought us some new families requiring more than the usual assistance.

We make grateful mention of the provisions made and carried out for fresh air aid, Thanksgiving and Christmas cheer and of the almost continuous stream of clothing, literature, house furnishings. These gifts are passed out as fast as they arrive and are such a real need in so many homes that the demand exceeds the supply.

The next report read by the secretary was that of Kate A. Rudd, secretary of the visiting nurse committee.

Public Health Nurse.
The committee on public health nursing reported through its chairman, Mrs. R. R. Graham, that Miss Elizabeth M. Culver, R. N., a graduate of the Presbyterian hospital of New York, has been secured and is to enter upon her duties Feb. 1. An office for the nurse has been prepared at No. 8 Washington street, where she will keep her supplies and records, and where calls may be left for her. It will be the endeavor of the committee to conduct this work according to the standards of the best established nursing associations and to keep in close touch with the headquarters of the national organization for public health nursing.

The activities of the employment bureau, Mary G. Webb, secretary, the almshouse visitation committee, Mary A. Porteous, chairman; the district visitation committee, Anna C. Dawley, chairman; the Sheltering Arms department, Alice M. Baird, secretary; the Rock Nook children's home committee, Louise G. Lane, secretary, and the club department, Annie Brewster Austin, secretary, were outlined upon in turn, all the reports being of an optimistic nature.

The reports were accepted and ordered printed, and the following were appointed as a printing committee: Mrs. Edward J. Graham, Mrs. Frederic W. Cary and Miss Adelaide L. Butts.

A collection was then taken up which amounted to \$21.60.

District Nursing.
A paper on District Nursing, prepared by Mrs. Louise Lane, was read by Rev. Charles A. Northrup, city missionary.

It mentioned early gifts received towards this fund in 1883 from Mrs. Henry B. Norton, a legacy of \$532.50 from Miss C. L. Thomas and two special gifts of \$100 each in memory of Mrs. Henry B. Norton. She reviewed the work that had been done under several workers in various ways along the line of district nursing.

Miss Culver Introduced.
The new nurse, Miss Elizabeth Culver, was introduced by Mrs. R. R. Graham. Miss Culver spoke very interestingly and outlined her plans for the work she is to carry on in Norwich.

Mrs. William A. Norton spoke briefly on the child labor bill, and Mrs. Arnold of the Sheltering Arms committee told of the lot which has been purchased and of the plans for the new building which it is expected will be erected.

Election of Officers.
The report of the nominating committee was presented as follows:

President—Mrs. George D. Coit; first vice president, Mrs. Leonard B. Bacon; treasurer, Miss Adelaide L. Butts; assistant treasurer, Miss Louise B. Beech; recording secretary, Mrs. Edward J. Graham; assistant secretary, Miss Mary H. Paddock; corresponding secretary, Mrs. Frederic W. Cary.

Vice Presidents—For three committees: Mrs. John D. Hall, Mrs. Leonard O. Smith, Mrs. Fitch Dolbear; for two years, Mrs. Charles W. Gale, Mrs. Mary H. Osgood, Mrs. William H. Gale, for one year, Mrs. F. W. Coleman, Mrs. Wallace S. Allis and Mrs. Shepard B. Palmer.

Assistant Auditor—Philip H. Welles.
Advisory Committee—Arthur H. Beech, Charles R. Bates, Charles W. Gale, Frank Hempstead, John P. Huntington, Oliver L. Johnson, William H. Allen.

The name of Dr. Hugh B. Campbell was presented to fill the vacancy on the City Mission association committee caused by the death of Waterman R. Burnham.

Finance Committee—Mrs. George D. Coit, Miss Adelaide L. Butts and Mrs. Henry T. Arnold.

The nominating committee's report was approved and accepted. Those on the nominating committee were Miss Mary G. Osgood, Miss Mary E. Richardson and Miss Alexander Trumbull. The meeting was brought to close with the singing of "Blest Be the Tie That Binds," and the benediction was pronounced by Rev. C. A. Northrup. There was an attendance of about 75 at the meeting.

TO RETURN CONFEDERATE FLAG TO NEW ORLEANS.
Was Removed from That City by General Butler During Civil War.

Boston, Jan. 31.—The city council tonight voted to return New Orleans a Confederate flag removed from that city by General Ben Butler during the Civil War. Mayor Curley will personally carry the banner to the southern city. The flag was one removed from the New Orleans city hall, where it had been made use of as a standard for a regiment of young men.

Another Death as a Result of Powder Flare.
Friday Night at the Du Pont Plant at Carney's Point, N. J.

Wilmington, Del., Jan. 31.—Another death occurred today as the result of the powder flare last Friday night at the Du Pont Powder company's Carney's Point plant, this being the fourth fatality. The latest victim was J. E. Williams, whose address is unknown, but whose father lives in Chicago. There are three other men at the hospital who were burned and their recovery is not certain.

Congressional Record.
The congressmen in addressing the Congress do not have to write his speech out in order to get it into the Record. The government stenographers take it down for him, just as he delivers it, and prints it for him. A great many speeches are printed which were never delivered.—New York American.

Not to Be Desired.
Here's hoping that Russia does not use those 250,000,000 gallons of vodka to celebrate peace when it comes. Wall Street Journal.

Reticence of Roosevelt.
Colonel Roosevelt gave up long ago trying to have people love him for his reticence.—Chicago News.

Resinol Soap

keeps skins fair in spite of wintry winds

The soothing, healing medication in Resinol Soap which is so helpful in clearing poor complexion, is equally dependable for protecting delicate skins from the havoc of winter's wind and cold.

Use Resinol Soap regularly for the toilet is usually to make sure that one's complexion will come through the cold weather unharmed, and that the hands will be kept free from redness, roughness and chapping.

If you already suffer from painful and unsightly chapping, a little Resinol Ointment will usually afford complete relief.

Resinol Soap and Ointment are sold by all druggists. For samples, free, write to Dept. U-F, Resinol, Baltimore, Md.

Keep Resinol Soap and Ointment in your bathroom, while supplying a rich, creamy, non-drying lather.

SHIP PURCHASE BILL INTRODUCED IN HOUSE.

Referred to Merchant Marine Committee for Hearings.

Washington, Jan. 31.—The government ship purchase bill, framed after extended conferences between administration leaders in congress and other high officials, was introduced in the house today by Representative Alexander and was referred to the merchant marine committee, of which he is chairman. Hearings will begin soon with a view of expediting consideration of the measure as much as possible.

The house is expected to pass the bill, although, as at the last session, despite changes made to satisfy democratic senators, strong opposition is anticipated in the senate. Leaders, however, declare they are confident that even if democrats who helped vote down the bill a year ago still opposed it, passage would be assured by the support of progressive republicans and three new democratic members.

It was said tonight that at least six of the seven democrats who voted against the measure last year still were unyielding in their opposition because of the provision which gives the government power to operate ship lines in times of peace if satisfactory leases to private operators cannot be negotiated. These six are Clark, Bankhead, Hitchcock, Hardwick, O'Gorman and Vandaman. The three new senators expected to vote favorably are Beckham, C. C. Chittenden, Wisconsin, and Johnson, South Dakota.

LUSITANIA COMMUNICATION MOMENTARILY EXPECTED

Might Contain Proposals More Acceptable Than Previous Notes.

Washington, Jan. 31.—A further communication from Germany in the Lusitania case is momentarily expected by state department officials, it became known tonight, but up to a late hour it had not been received. It was understood the new report character of recent stages of the negotiations and might contain a new set of proposals in lieu of those rejected a few days ago by the United States.

Secretary Lansing said today he had no confirmation of news despatches saying Germany's final answer was on its way to the United States and that the action of the submarine command is not disapproved and Germany will make no further concessions from the Count Von Bernstorff, the German ambassador, is expected to return to Washington tomorrow from New York but department officials have not been advised whether he had any new word from his government. He has no appointment to see Secretary Lansing.

The negotiations, it was said tonight, were in precisely the same status as they were a week ago. The Berlin foreign office still has before it for approval a proposal for settlement, drafted by Count Von Bernstorff, which has embodied in it all the demands of the United States and a feeling of optimism prevails both in official and Teutonic diplomatic circles.

Hard On Old Inhabitants.

Until the last few days Charleston has not been dry in 250 years, and it is rather hard on some of the people who have been drinking all that time to have to stop suddenly.—Florida Times-Union.

Abraham R. Luscomb, a veteran of the Civil war, was found dead in his home at New Bedford. Death was accidental and was caused by gas poisoning.

London, Feb. 1, 1.45 a. m.—A raid by six or seven Zeppelin airships took place last night over the eastern, northeastern and midland counties of England, according to an announcement of the war office. A number of bombs were dropped, but up to the present no considerable damage has been reported.

A resumption of the Zeppelin raids on London and the east coast of England was expected by the British authorities and on January 26th a special warning was sent out by the police, which after referring to the increase in the offensive protection against hostile aircraft recently provided in the metropolitan district, advised the public on the occasion of air raids to take to cover.

The latest raids on England by German aircraft, occurred on January 22 and 24, when hostile aeroplanes dropped bombs along the east coast of Kent, killing or wounding a few persons and an aeroplane attached to the station, barracks and docks at Dover.

Only recently the defense of London from air attacks has been placed in the hands of the war office previously the admiralty had charge of this matter. Both these departments, however, have been cooperating harmoniously.

Prior to January 3 there was an interval of several months during which England was immune from air attacks. From June 15 until October 13 there were six Zeppelin raids on London and the east coast of England, in which 121 persons were reported killed and 313 injured.

After the Zeppelin raids on Paris Saturday and Sunday nights the view was expressed by the French authorities that these attacks were doubtless merely a prelude to a more extensive movement by German aircraft and the fact that six or seven machines have taken part in the new raid on England would indicate a well-considered

MURDEROUSLY ATTACKED WHILE REPAIRING AUTO.

Two Persons Killed on Highway Between Buffalo and Orchard Park, N. Y.

Buffalo, N. Y., Jan. 31.—Under orders from District Attorney Wesley C. Dudley, a deputy sheriff was placed on guard tonight at the home of John Edward Telper, one of the two surviving members of an automobile party of four which was murderously attacked on the highway between Buffalo and Orchard Park early today.

The victims of the tragedy were his mother, Mrs. Agnes M. Telper, a widow 67 years old, his brother Frederick C. Telper, 24 years old, an engineer on structural steel work, who were killed outright, and Miss Grace J. Telper, a sister, whose skull was fractured in five places and who is in a dying condition. John Edward Telper has a severe contusion on the forehead.

The guard was placed on Telper's home tonight after he had made a sworn statement to Mr. Dudley in which he repeated a story told to the sheriff earlier in the day to the effect that the murderously attack was made by a man, apparently a negro, while he and his brother were attempting to repair his automobile, which had stalled on the highway early last evening.

In his sworn statement Mr. Telper said that he had invited his mother, sister and brother to visit him at his Orchard Park home last evening. He started in toward Buffalo late in the afternoon, he said, when his automobile stalled. He abandoned it and walked to the city to arrange for repairs.

At the city line, Mr. Telper said, he met his mother who were in an automobile and decided to go back to his home at Orchard Park with them intending to arrange for the repairs of his own machine later on.

About midnight when his mother, sister and brother were ready to return to the city, Telper said, he decided to go with them, repair his stranded machine and return home in it.

Telper said he had the hood of the stranded automobile up and was examining the engine when he heard a warning cry from his brother. He turned to find a strange man in the rear of the light machine, by the headlights of the other machine and a moment later he was knocked unconscious by a blow on the head. When he regained his senses, he said he found his mother, sister and brother apparently dead and he started toward the nearest farmhouse to summon help. He thinks he lost consciousness again for the next thing he remembers was the arrival of the police.

Until the last few days Charleston has not been dry in 250 years, and it is rather hard on some of the people who have been drinking all that time to have to stop suddenly.—Florida Times-Union.

Abraham R. Luscomb, a veteran of the Civil war, was found dead in his home at New Bedford. Death was accidental and was caused by gas poisoning.

ZEPPELINS PAY ANOTHER VISIT TO ENGLAND

Bombs Dropped, but No Considerable Damage Reported.

London, Feb. 1, 1.45 a. m.—A raid by six or seven Zeppelin airships took place last night over the eastern, northeastern and midland counties of England, according to an announcement of the war office. A number of bombs were dropped, but up to the present no considerable damage has been reported.

A resumption of the Zeppelin raids on London and the east coast of England was expected by the British authorities and on January 26th a special warning was sent out by the police, which after referring to the increase in the offensive protection against hostile aircraft recently provided in the metropolitan district, advised the public on the occasion of air raids to take to cover.

NORWAY IS NOT TO ABANDON NEUTRALITY

Decides Not to Discontinue Treaty Guaranteeing Territorial Integrity.

London, Jan. 31.—Reuter's Copenhagen correspondent quotes the Christiania Journal to the effect that the Norwegian foreign minister announced at a secret meeting of parliament that the government had decided not to give notice to the signatory powers of the treaty of the treaty of 1907. This treaty, guaranteeing the independence and territorial integrity of Norway, was signed by Great Britain, France, Russia and Germany, as well as Norway.

This does not signify that the government has assumed a definite attitude in the matter. The Journal continues, "but merely that it considers the present moment inopportune for an act which might be wrongly interpreted as menacing that Norway was abandoning neutrality."

ROXBURY STOREKEEPER ROBBED BY HOLD-UP MEN

Two Youths Got Away With \$300 and Twelve Rings.

Boston, Jan. 31.—Two young men entered Joseph Sonnabend's second-hand store at 2138 Washington street, Roxbury, shortly before two o'clock this afternoon and asked to be shown an overcoat, which the proprietor obligingly reached for and turned to face a gun in the hands of one of the youths. While Sonnabend was kept covered with the gun, the other man took \$300 and twelve rings, then both ran out and disappeared.

One of the hold-up men was about twenty-two and the other about twenty-six years old. Both were dark complexioned and smooth-shaven. The older one had no overcoat.

plan by the Germans to increase the activity of their dirigibles and probably to bring into play the new Fokker machines, which are reported very effective engines of war.

PRINCE EITEL MAY BE KING OF SERBIA

Although reports from German contain denial, it is asserted that Germany is continuing her efforts to conclude a separate peace with Serbia. A London correspondent states that Princess Sophie Charlotte of Oldenburg, the couple have no children. Prince Eitel has performed much service in the war and has been wounded.
